## RIEDEL CRYSTAL VINUM EXTREME RANGE

Vinum Extreme (2000) was produced to keep up with the New World intense wine structure and steady improvement of these wines. This required a very specific glass to showcase and highlight the special qualities presented in the more perfect wines from the New World. These wines call for shapes which can "handle" the concentration and translate the wine's message in a perfect way. They are executed in lead crystal, machine-blown in Bavaria, Germany.
